RCIA Prayer

We the Parish of St. Ann pray in a special way for the RCIA candidates. We pray for the catechists who will guide them on that journey. We pray for the candidates: 1)That their ears will be opened to hear the word of God. 2)That their hearts will be drawn to Jesus Christ. 3)That the Holy Spirit will inspire their faith to awaken, grow and come to fruition. 4)That Father, Son and Holy Spirit help them grow in wisdom and love as they prepare to profess their faith in you. If you know anyone who is interested in RCIA, please call Kay Hirsch 438-6005.

Sedalia Area Life Chain: Sunday afternoon, Oct. 3 from 2 to 3PM. Hundreds of local Christians will line Hwy. 50 to form a "LIFE CHAIN".

This stand of solidarity by Sedalia area Christians will vividly proclaim abortion to be gravely wrong and will confirm, publicly, that local Christians steadfastly oppose the killing of preborn boys and girls, as well as the exploitation of their mothers by the abortion industry. See bulletin board for more information.

MCC Parish In-Pew Registration Drive

At all masses next weekend you will be given an opportunity to put your faith into action by joining the Missouri Catholic Conference Citizens' Network.

The MCC is the official public policy agency for the Catholic Church in Missouri.

The MCC is non partisan. It does not endorse or oppose candidates but focuses on issues and legislation.

Through the years the MCC has had many successes, such as enacting a ban on partial birth abortions, expanding health care to the poor and passing a tough new law regulating triple X pornography stores. But the Conference is only effective if Catholic participate in the MCC Citizens' Network. Participation in the network is free. The MCC only asks that you try to respond to their action alerts by contacting legislators when key votes are pending in the Missouri General Assembly or in Congress.

Through this network Catholics work together to advance the common good by protecting the unborn, assisting the poor and promoting quality education for all school children.

Network members receive regular e-mail updates and alerts on pending issues and legislation. The MCC puts network members in touch with their legislators when key votes are pending. Please consider joining the MCC Citizens' Network next weekend.

Notes by Fr. Keith 9/19/10

When we baptize an infant, we always pray a special blessing over the parents since they are the “first teachers of their child in the ways of Faith”. The Faith of our parents was the most important force in shaping our faith as we grew up, and this reality continues today.

As we begin a new year of Religious Education, we need to remember to support Catholic parents as well as their children. All we do in religious ed supplements and deepens the Faith our children receive from their primary educators, their parents. Catholic families are stressed in many, many ways, including by forces that seek to impose priorities above and beyond Faith. Catholic families are a key part of the Church TODAY, and deserve our prayers, support and companionship now. Our children are not only part of our Future, they are part of our Present; and their parents need us to help their Faith grow, so they can better share that Faith with their children, as our parents shared their Faith with us.
