I hope you are looking forward to your first letter from the person you sponsored and please write them as often as possible. May God continue to bless Fr. A Letter from our Bishop 11/13/11

Dear Brothers and Sisters in Christ,

For over 40 years the Catholic Campaign for Human Development (CCHD) has funded organizations that address the root causes of poverty in their communities. CCHD works for the relief of those oppressed by poverty by empowering neighbors to help one another eliminate these causes. This weekend's Collection is the primary source of funding for CCHD's anti-poverty grants and education programs.

One CCHD-funded group, AMOS (A Mid-Iowa Organizing Strategy), has provided the women of Story County, Iowa, with a mobile clinic where they can receive the prenatal care they need but could not otherwise afford or access. The trained medical professionals on board provide ultrasound services and exams, but not contraceptives or abortions.

In Ohio, WIN Action Organizing Project is working to provide foreclosure prevention assistance to thousands of homeowners. Through continued collaboration with national lenders, the project has been able to help keep hundreds of low-income families in their homes.

Through CCHD the Catholic Church is working to break the cycle of poverty. **Fight poverty in America. Defend human dignity. Support CCHD in the upcoming Collection.**

Please remember, 25% of the Collection's proceeds stay here in our Diocese to fight poverty in our communities and defend the dignity of our neighbors.

For more information about CCHD and the groups it funds, please visit www.usccb.org.

Sincerely

yours in Christ,

Most Reverend John R. Gaydos

Bishop of Jefferson City
