Catholic Missourian Please consider paying the \$14.00 for your Catholic Missourian subscription.

The Bishop asks each parish to provide the availability of "his bulletin" to each and every parishioner. St. Ann's cost for this is \$3,500.00. It would greatly help.

Crafters needed- Have you got time to make some craft items for our bazaar, birdlike houses or any wooden craft items. We also will need some painters to decorate these items. If available and would like to volunteer call the church at 438-3844 or you can call Rick Holt at 660-438-2386.

Diocesan Mission Collection

The mission tradition of the Diocese of Jefferson City began in 1962 when the first five priests left for South America. Since then, we have faithfully answered the call, serving the people of God in Peru and beyond. This year we recommit ourselves to take the Gospel, in all its love and truth, to the far corners of the world. Please offer your prayers and financial support for the Diocesan Mission Collection on July 14-15.

Please don't water the plants inside our church. Jan Fristoe takes care of the feeding and watering of our plants and it becomes confusing when someone else decides to water them also. Thank you.

St. Ann T-Shirts are available at the Religious Articles counter for your summer wardrobe! St. Ann ball caps are available also! The proceeds help the needy of our community.

USCCB Communications

Catholics Care. Catholics Vote.

We vote because we are citizens. But we vote conscientiously because we are people of faith. Our consciences are formed through studying Scripture and the teachings of the Church, examination of the facts, and prayerful reflection.

While there are many moral issues before us, every issue is not equal.

***Issues that directly affect human lives** – such as abortion and euthanasia- are fundamental and demand serious consideration.

***Our Constitution heralds religious liberty** in the First Amendment, yet increasingly people of faith are having to fight to retain this basic right. ***There is a move in the nation to redefine marriage.** The marriage of a man and a woman is the foundation of the family and an essential core element of a flourishing society.

***The millions of undocumented persons** living in the United States deserve our compassion. There is an immigration problem, and we need a humane solution to it.

*** The growing disparity between rich and poor** means most of the world's resources are in the hands of a small percentage of its people. The federal budget is a moral document and must prioritize the poorest and most vulnerable among us.

*** War, terror, and violence** have caused an untold number of lost lives. We must work for just solutions to conflict in the Holy Land, throughout the Middle East, and beyond.

Happy 4th of July!

Pastor's Column 7/01/02

I would like to begin by saying how nice it is to be the Pastor of the Catholic community in Benton County.

St. Ann & Sts. Peter & Paul are beautiful churches and I am looking forward to getting to know all of you. The folks who participate in our church families are truly the "living stones" that make St. Ann & Sts. Peter & Paul the wonderful faith families that they are.

I am looking forward to enjoying the 4th of July celebrations here in Benton County. This is a good time to give thanks to our loving God for living in this great country. Let us never take for granted the many blessings we enjoy by living in this wonderful country. The U.S. Bishops are taking this time to remind us of the necessity of being free to worship our loving God as we choose. I can think of no better way to express the importance of our faith than by living it out well. Let it be said of us, "You know those Catholics really live out their love for Christ".

Thus let us never take for granted the sweet gift of worshiping our loving God as we choose.

Peace in Christ,

Fr. Michael Murphy
