Diocesan Mission Collection

The mission tradition of the Diocese of Jefferson City began in 1962 when the first five priests left for South America. Since then, we have faithfully answered the call, serving the people of God in Peru and beyond. This year we recommit ourselves to take the Gospel, in all its love and truth, to the far corners of the world. Please offer your prayers and financial support for the Diocesan Mission Collection on July 14-15.

Pastor's Column 7-15-12

In these summer months it is a great time to spend more time outside. Whether one is walking, biking, boating, fishing, gardening, etc.. This is a great opportunity to drink in the beauty that surrounds us and to truly thank our Creator for the gift of our world.

Have you taken the opportunity to enjoy more time with family and friends. Unfortunately it is easy to take those around us for granted. A great way to truly appreciate family and friends is to thank God for the blessing they are in our lives.

As Catholics we have a beautiful tradition of thanking God for the food we have to eat. Do we make this an intentional and deliberate prayer or has it become a mere routine.

Do we carve out time for prayer each day? Prayer that renews and refreshes our very being. True, prayer is intended to touch our hearts and help open us up more to the life giving ways of Christ.

When we exercise do we take it for granted or do we thank God for the very ability to feel good through proper exercise and good nutritional choices.

The bottom line is that we make many choices each day and if we are more in tuned with our loving Creator we are more apt to make choices that are truly beneficial to ourselves and others.

I pray that the remainder of these summer months be a sweet time for all.

Peace in Christ,

Fr. Mike Murphy
