Spring Fork Catholic Church may be in it's final days. The church has been used very little over the last years. It was in need of repairs and then, last June, was hit by lightning. Lucy Akeman is opening up the church for those who would like to visit "for old times sake" on Wednesday from 6:00PM - 8:00PM. Spring Fork is off of U Highway 10 miles from Cole Camp.

Please straighten the books and pamphlets in the pews for the next Mass!

Please let Fr. Mike or the office know about our parishioners who are home bound, in the hospital, etc. so that we can visit, call and pray.

Welcome back from Steubenville!

19 Teens and 3 chaperones returned from their "Steubenville" weekend last Sunday with a renewed energy for their faith. The theme for the weekend was "The Eighth Day" The Eight day begins the new creation. We are living in the Eight day: a phrase used to refer to Go's ongoing work of redemption through Jesus Christ in the day that knows no evening(CCC 1166). Jesus came to teach us how to live, suffered and died for our sins and conquered death through his resurrection. The teens also felt connected to our parish as they prayed for the special intentions entrusted to them.

Missouri Prayer Amendment (Amendment 2)

Missouri bishops endorse and ask for your support on Amendment 2, the Missouri Prayer Amendment. This amendment will ensure that Missouri citizens and students have the right to pray in public and private settings while also ensuring that the state will not be able to establish any official religion. For more information please contact the Missouri Catholic Conference at 573-635-7239 or go to www.MOcatholic.org

St. Ann offers many opportunities to to get better involved with your church family, i.e. choir, bazaar, eucharistic minister, lector, greeter K of C, Altar & Rosary, PSR. This is a great way to give service to God, meet people, and contribute to your church. We value our volunteers.

Pastor's Column 7-22-12

The other day I noticed the Swinging Bridge, over the Lake of the Ozarks in Warsaw, was closed for construction work. Many of us use the Swinging Bridge as access to the harbor area for our exercise routines. Thus, the temporary closure requires many to adjust their biking or walking route.

I guess one could use this change as an excuse to not exercise. However, the change itself can be seen as a unique twist to their routine.

I believe this to be a good analogy for life in general. The one constant in life is change, we can either choose to adapt, or we can choose to rail against it and miss out on all of the possibilities the change can afford us.

In every area of our lives may we choose well!

Peace in Christ,

Fr. Mike Murphy
