August 11-12, 2012

Dear Brothers and Sisters in Christ,

On September 12, the Missouri General Assembly will have an opportunity to defend the religious liberties of Missouri citizens by overriding Governor Nixon's veto of SB 749. This legislation states that no one can be forced to pay for abortions, abortion drugs, contraceptives or sterilizations in their health plans if doing so would violate their religious or moral beliefs.

By enacting SB 749 into state law, Missouri can set an example for the nation on the importance of respecting the rights of conscience of all people. The issue at stake here is fundamental to our basic freedoms as Americans. Without the protection of religious liberty advanced in SB 749, the Church will find it increasingly difficult to minister through its schools, hospitals and other charities.

Many of our state senators and representatives voted for SB 749 during the regular session earlier this year. But our legislators need encouragement at this time. We need them to attend the veto session on September 12 and support SB 749 once more. This is the only way we can make sure this bill becomes state law.

I know this is a busy time, but please take a few moments to contact your state representative and state senator before September 12 and urge support for SB 749. The Missouri Catholic Conference has developed a pre-composed message that you can send. You don't even have to know who your state legislator is to send the message. Visit the MCC at [www.MoCatholic.org](http://www.MoCatholic.org) to send the message. You can also call the MCC at (573) 635-7239 or 1-800-456-1679.

Ever confident in our ability to accomplish great things together with God's help, I remain  
Sincerely yours in Christ,

*Most Reverend John R. Gaydos*

Bishop of Jefferson City
