A Stewardship Moment: In today's Gospel Jesus teaches his disciples that whoever wishes to be great among them must be a servant, just as he came to be a servant. Today is World Mission Sunday – a reminder of our call to be good stewards of the Gospel and to support those who make evangelization their servant ministry throughout the world. Not to be a servant of the Gospel would be poor stewardship. But how do we serve the Gospel? How do we support others who serve those who have never heard the Gospel? ****The Catholic Stewardship Appeal** is beginning again in our parish. You will receive information at your home. This appeal is our opportunity to join each other throughout mid Missouri to bring the love of Jesus to those in need and participate in the saving work begun by Jesus. As you make your decision about your participation, please return completed card to the diocese in the envelope provided as soon as possible. St. Ann's CSA goal is \$7,500.00.

Parish Council Elections will be held next weekend.

Life Teen Cardboard Box Sleep out To raise awareness for the local poor and teach our teens about stewardship. LifeTeen will be having their annual Cardboard Box Sleep out on Nov 19th. The LifeTeen group will be at the back of church gathering pledges/donations and having their phone-a-thon. If you are unable to pledge or have already pledge please keep our teen in your prayers while they learn this valuable lesson on keeping those less fortunate in our minds. Last year we were able to donate to Christmas for Kids, St Joseph's Table and help a local family with medical needs. Every dollar and prayer is GREATLY Appreciated!!!

A Letter from Bishop Gaydos 10/21/12

Dear Sisters and Brothers in Christ,

This year, the Church's annual celebration of World Mission Sunday takes on special significance because it occurs during the opening weeks of the Year of Faith, while the Synod on the New Evangelization is taking place in Rome. These three moments are intrinsically connected because all of them are about faith: knowing our faith and sharing it so that we can bring it to bear on every society where the Church has taken root, as well as in places where Christ has yet to be proclaimed, or where faith in Him has grown cold.

It is most fitting that the Sunday liturgy is the setting for our celebration of World Mission Sunday, because it is participation in Sunday Mass that nourishes us and sends us out on mission to witness to Christ. Through the Church's proclamation of the Word of God and our reception of the Body and Blood of the Lord, we are fortified to live as missionary disciples and take up the work to which Christ calls us.

Our Holy Father has reminded us that only Christ can truly fulfill the hopes of humanity because He alone can "heal, purify and fill all people with His presence." If others are to come to know Christ deeply, we must make "the unfathomable riches of Christ known" our witness to the difference He makes in our lives.

Our communion with Christ through our life in the Church should transform our faith into love. The Pontifical Mission Societies support the missionary evangelization efforts that take place in 1,150 dioceses throughout the world. Through their efforts the love of Christ touches the hearts of countless people. I commend the Pontifical Mission Societies to your prayers and ask you to be generous in your support for their missionary outreach.

By participating in the missionary work of the Church, my prayer is that each of us will grow in our ability to proclaim Christ by our lives. Thank you for your concern for the Missions. May the Lord abundantly bless you and those you love.

Sincerely yours in Christ,
Most Reverend John R. Gaydos
Bishop of Jefferson City
