Pastor's Column 02/03/2013

This cold streak we are currently dealing with reminds us of the life giving gift of warmth. Warm weather along with proper moisture and rich soil provides for good growing conditions.

As followers of Christ, we are reminded of the beauty of warm hearts. A warm heart can put off the glow of the warmth of the Sacred Heart of Christ. This world we live in is in great need of the warmth and gentleness generated by sweet hearts molded after the fashion of His Sacred Heart.

Valentine's Day, on Feb. 14th, is a wonderful opportunity to share kind acts of the heart. Our grade school students can provide us with a wonderful witness of how little acts of kindness can certainly send the right message.

As we nurture from our hearts we can provide true insulation from the cold.

As we express our care for others, this is a good time to remember those who are struggling from the cold of winter.

*Peace in Christ,
Fr. Mike Murphy*
