Pastor's Column 02/10/2013

Pope Benedict XVI has named the theme for this year "Year of Faith". The insert page in this bulletin issue keeps before us the many age old prayerful practices associated with a spiritual walk through the desert experience of Lent. In addition we have placed before you our specific parishes activities.

When we gather as a parish family in prayer we are being spiritually strengthened along with aiding one another in their spiritual journey. Come join us as we pray the Stations and have a soup supper afterwards. The Stations keep before us the awesome gift of Christ's love as well as the pain humans can inflict on one another. The meal further strengthens our bond as we share a simple meal and fellowship. Our Seder meal will be a powerful opportunity to experience another beautiful form of prayer.

Our parish Reconciliation service keeps before us once again the life-giving forgiveness of Christ. Join us for the Novena that will lead us into a prayerful celebration of the Eucharist on Divine Mercy Sunday. Our Church History class on Tuesday mornings, after Mass, helps us understand further how our Church history has had a profound impact on how we have developed over the centuries as the Catholic faith. Many find daily Mass itself a great assistance in sustaining their journey through Lent. Attending sacred Triduum helps us more fully enter into the mystery of God's love for us.

To the extent that we pour ourselves into this Lenten Season, we will be well along our way of being touched by our God in this Holy Year.

*Peace in Christ,
Fr. Mike Murphy*

A Letter from our Bishop

Dear Brothers and Sisters,

These 40 Days of Lent which begin this Ash Wednesday, February 13th, during the Year of Faith, are marked by prayer, fasting and almsgiving. These days bring us to the threshold of the heart of the Church's year, the Pascal Triduum. These are retreat days in which we recall during these next six weeks with renewed devotion our sharing in the saving death and resurrection of the Lord Jesus. The Church in her wisdom and love for us sets aside these 40 Days to help us understand, celebrate and focus on the Lord's death and resurrection worthily to renew our participation in this mystery by our baptism, and to make amends for our sins through penance. We are invited to have a true spirit of conversion, renewing our faith in the divine mercy of God and the power of grace in our lives.

In a special manner this year, Pope Benedict asks us to exercise the virtue of charity in our thoughts and deeds. Operation Rice Bowl is a wonderful opportunity to extend charity to our

brothers and sisters who are in need across the globe.

I wish to assure you and your family of my prayerful support and encouragement during these Lenten days. I ask the Lord to give you grace to deepen your willingness to follow him with an even greater charitable heart.

With my best wishes and personal regards, I am

Sincerely yours in Christ,

Most Reverend John R. Gaydos

Bishop of Jefferson City
