Happy St. Patrick's Day

Pastor's Column for 3/17/2013

There is a lot of excitement throughout the world in the naming of the new Bishop of Rome, Pope Francis. He is taking the name of the great 13th century saint, St. Francis of Assisi. St. Francis was renown for his love of the poor. The Franciscans were formed as a mendicant (begging for their daily bread) order so that they would stay close to the needs of the poor.

As information about the new Bishop of Rome is revealed, we will learn more about him. Already we have learned that more about him. Already we have learned that he had chosen a more simple life and being more available to the people by not living in a palatial cardinal residence and using public transportation at times. Many are already speculating that he will work at fleshing out more of the powerful social justice teachings of the church in his continued out reach and service of the poor.

These exciting times can be directly connected to our parish as we enjoy the St. Joseph Table meal after Saturday's Mas and baked goods on the 17th as a way of further supporting our work for those in need right here in Benton County.

Through our St. Joseph Table and our upcoming Seder meal, we are afforded further opportunities to build our parish family through good fellowship.

I look forward to seeing you there.

*Peace in Christ,
Fr. Michael Murphy*
