### **Pastor's Column May 26, 2013**

Starting this Memorial Day weekend we will go to our new summer schedule of 5 masses on the weekend, Saturday 4PM & 6PM, Sunday 7AM & 9AM and Sts. Peter & Paul, Cole Camp at 11AM. We have increased the schedule as an attempt to better accommodate preferences of the people who attend Mass here in Benton County.

What is a constant, is our desire to come together to share powerful and life giving prayer. God has given us this beautiful Eucharist to celebrate, so that we might become evermore alive in living our Faith. When we gather for prayer we should never be in a hurry but rather ask how can each of us open our hearts more to the Peace of Christ. The more each of us opens ourselves to this celebration, the more we will all get out of it.

I find water sports to be exhilarating joy filled and can lead me to a great sense of Peace. May we look forward to having a rich experience when we gather to celebrate the Eucharist. May a beautiful experience of Mass propel us out into the world to further spread the peace and joy of Christ. A good question to ask is "Do you have a smile on your face and a more joy filled heart after having come on holy ground to be nourished by Christ?". We normally think of good food filling our bellies so that we might have energy to be able to achieve good works. May we ever grow in our understanding of Eucharist feeding our hearts so that we may be filled with a sense of joy and wonder to bring Christ where ever we go.

I pray that this summer may be one that is filled with peace and joy for all.

*Peace in Christ,  
Fr. Mike Murphy*
