The calendar tells us that we are now officially in summer. For many of us we have been enjoying the summer spirit for weeks. However the weather this year seemed to wait to bring the heat until closer to the official beginning of summer.

I hope that we can open our hearts to the joys that are intrinsic to summer. May we enjoy the longer days, the refreshing qualities of our lakes and the visitors who come in droves. We get to enjoy some of our visitors at Mass. I hope all of the visitors feel welcome when they come to the twin lake area but especially when they join us in prayer at Mass. May they feel the joy of Christ that we hope fills our parish family. Nothing is truly more refreshing or rejuvenating than being immersed in the love of Christ.

Each time we come to pray together may we be reminded of how we are to be filled with the love of Christ and bring that love out into the community. If we want to change things for the better there is no agent of change like the love of Christ.

*Peace in Christ,*

*Fr. Mike Murphy*
